Axelum appoints Investor Relations Officer

PUBLICLY LISTED Axelum Resources Corp., an integrated producer of world-class coconut products for local and international food and beverage markets, announces the appointment of Paul Cheah as Vice President and Investor Relations Officer of the company.

Cheah has over ten years of experience in investor relations. Prior to his appointment at Axelum, he headed the Corporate Governance and Risk Management division of Philex Mining. He also worked for Max's Group, Ayala Land, Cebu Pacific, and Globe Telecom, Inc. where he specialized in compliance, corporate governance, and planning. In 2017, he was recognized as Best Investor Relations Professional in the 7th Asian Excellence Awards.

Axelum Chairman Romeo Chan said, "We are very pleased to welcome Paul Cheah to the company. His expertise and extensive experience in investor relations will help guide and strengthen the company as we transition into a public company."

Cheah graduated with a Business and Finance degree at Heriot Watt University, a top UK university with an international reputation for both business and engineering. He obtained his Master of Business Administration (MBA) from the Ateneo Graduate School of Business.
